The announcement came from BRISBANE, AUSTRALIA " (uSocial and OfficialWire) " " uSocial Announce Twitter Marketing Services Businesses and individual marketers who use Twitter as a promotion tool have had a small bonus handed to them today in the form of a proclamation regarding the early launch of a new service for the social media site.

Web marketing company uSociali has announced an early launch of their Twitter advertising services, which were initially due to be released at the end of May. Though due to early completion of testing with several clients, the company says they are ready to go with real orders.

Although the initial launch date is only a few weeks away, we saw no reason why we shouldnt launch immediately, said uSocial spokesperson Serena Adamson. We want to begin letting people reap the benefits of Twitter marketing now, so were going to make it active in just a couple of days.

Initially slated for release around the last week of May, uSocial will now open their Twitter marketing services to the public on the 18th of May.

The company will offer two new services for Twitter in total, one giving individuals the ability to purchase packages of followers which will be added to their accounts, the second being an advertising package allowing businesses to have their services marketed to uSocials already-established base of followers which they claim is growing by around 1,000 per day.
